Dear Mr. Farra:

I just wanted to write a quick note of thanks for your time and energy in looking into my request about RDAP and for your kind reply. I appreciate you checking into the possibility for me. I'm trying to make myself better in every way, every day - as the saying goes. For me, that means trying **as best as** I can to avail myself to any and all help. So again, I truly appreciate your help. While the outcome isn't what I had hoped, it just wasn't meant to be. I'll continue working every day here to be better mentally, physically, emotionally and spiritually, and I look forward to returning to the community and my family, soon.

Thank you again, take care.

Sincerely,

A handwritten signature in black ink that reads "David A. Hay". The signature is written in a cursive, slightly slanted style.
